

Introduced by Senator Rubio

February 24, 2012

An act relating to public postsecondary education.

LEGISLATIVE COUNSEL'S DIGEST

SB 1416, as introduced, Rubio. Public postsecondary education: construction of new medical school.

Existing law establishes the system of public postsecondary education in this state, consisting of 3 segments: the University of California, the California State University, and the California Community Colleges. Existing law provides that the University of California has exclusive jurisdiction in public higher education over instruction in the profession of law and over graduate instruction in the professions of medicine, dentistry, and veterinary medicine.

This bill would express the intent of the Legislature to enact legislation that would provide for the establishment and construction of a new medical school in this state.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation that would provide for the establishment and
- 3 construction of a new medical school in this state.
